These simple facts are well known, and the highest medical authorities agree that nothing but iron will restore the blood to its natural condition; and also that all the iron preparations hitherto made blacken the teeth, cause headache, and are otherwise injurious. BROWN'S IRON BITTERS will thor-

oughly and quickly assimilate with the blood, purifying and strengthen-ing it, and thus drive disease from any part of the system, and it will not blacken the teeth, cause headache or constipation, and is positively not injurious.

Gents:—Upon the recommendation of a friend I tried Brown's
IRON BITTERS as a tonic and restorative for my daughter, whom
I was thoroughly convinced was
wasting away with Consumption.
Having lost three daughters by the
terrible disease, under the care of
eminent physicians, I was loth to
believe that anything could arrest
the progress of the disease, but, to
my great surprise, before my daughter had taken one bottle of Brown's
IRON BITTERS, she began to mend
and now is quite restored to former
health. A fifth daughter began to
show signs of Consumption, and
when the physician was consulted
he quickly said "Tonics were required." and when informed that
the elder sister was taking Brown's
IRON BITTERS, responded "that is
a good tonic take it." IRON BITTERS, responded "that is a good tonic, take it." ADORAM PHELPS.

BROWN'S IRON BITTERS effectually cures Dyspepsia, Indigestion and Weakness, and renders the greatest relief and benefit to persons suffering from such wasting diseases as Con-sumption, Kidney Complaints, etc.
